

# OLD BOTTLE NIGHT

The Frankston Wine and Food Society is pleased to present their second Old Bottle Night on Friday, 25 February at the Frankston International starting at 7:00pm.

This is a member and partner-only event and will be moderated by international winemaker and judge **Loic Le Calvez**. The last Old Bottle Night was a huge success and we look forward to another memorable event.

Numbers are limited to 30 so book early!

On arrival you will be served hot and cold canapés followed by tapas-style platters served at the tables.

Entry is one bottle only of your favourite wine, preferably aged but not necessarily so. Once bookings are confirmed attendees will be contacted to arrange for their masked wine to be delivered to the venue or collected. The aim is to have all wine available for tasting by Loic well before the evening event commencing.

Participants are asked to mask their own wine preferably in aluminium foil.

We have been fortunate to obtain the services of Loic Le Calvez again for this event.

French-born Loic was the Winemaker and then COO of Taltarni in Victoria and Clover Hill in Tasmania for 14 years. In 2016 he founded Wine Truth as a Consultant Oenologist.

**When:** Friday, 25 February 2022

**Commencing** 7pm for a 7:30pm start

**Cost:** \$40 per attendee

**Venue:** Frankston International, Nepean Highway, Frankston
